

We are asking for your help! Please pray with us about the following:

1. Liberty! That God would continue to bring and connect us with the right people and leaders.
2. Continued financial provision.
3. That the right youth/young adult leaders would emerge to help grow a very significant movement for the future.
4. We are believing for an incredible Kids Church ministry that will train and equip all our Liberty Kids.
5. Location! We have been praying about whether to move closer in to midtown or stay where we are.
6. For all the lost people in and around Hattiesburg who are waiting (they don't know it yet) for someone to share the Gospel with them, so they can encounter Jesus Christ for the first time.
7. Praying specifically for more musicians & singers to join our talented and creative Music Team, so that we may continue to have an incredible level of Praise & Worship.
8. Praying that God would bring the right people for the Service Production Team. People who have a pioneering spirit with an eye to a big future.
9. For Hattiesburg itself. Right now is a critical time of transition for the whole area and we hope Jesus and Liberty Church will be a large part of it!

We will update this list as necessary...

Thank you for standing with us by investing your time, talent, and treasure.
